Dear Friends of Christ the Divine Teacher School,

Forty years ago Sandra Romano began educating the children of this community. She continues to teach students how to properly diagram a sentence, construct a paragraph and confidently speak in public. We need your help. Alumni, family, and friends of Christ the Divine Teacher School, Sacred Heart, St. Florian, St. Joseph, St. John, St. Vincent and Holy Family schools, please help us reach our Annual Fund goal of \$40,000 (\$1,000 for each year of Miss Romano's dedication to her students). Your gift not only honors Miss Romano but helps us continue our mission to educate the children of this community, both academically and spiritually.

We share with you a letter from Jill Paone Simmons. Her words are an inspiring reminder of how important Christ the Divine Teacher School is in shaping the lives and perspectives of our young people; and then, how important you are to Christ the Divine Teacher School's existence.

You have a unique opportunity to give back to the wonderful educators like Miss Romano while continuing to provide exceptional Catholic education to our children. Your gift supports a vital and essential part of the community - Christ the Divine Teacher School.

Thank you for your consideration of a gift to this special school that is so very dear to me. Please give.

Warm regards,

Mary C. Paone
Annual Fund Chairwoman
