Do you have a favorite memory from elementary school? Perhaps a story you share with your children or grandchildren.

As part of our annual campaign we are renewing relationships with alumni of the Catholic elementary schools consolidated and now known as Christ the Divine Teacher School.

How are you connected to Christ the Divine Teacher School? Are you an alum of Holy Family? St. John? St. Vincent? St. Florian Or perhaps St. Joseph or Sacred Heart?

Share a favorite memory on the enclosed card. We will be sharing these stories on our website. Maybe you could renew a friendship from elementary school or find out what happened to ...?
