Cash Tickets

We hope you're off to a great start selling tickets. We know selling things isn't in everyone's comfort zone which is why this is the only time during the year we ask families to do so. You might be surprised that some families sell ten or more PACKS of tickets each year. How do they do it? One good way is to sell after Masses. Even if you're not Catholic, this can be an option. Our feeder parishes are very helpful in letting families participate, BUT it's important you book a time through the school and not go directly to a priest as it helps in the coordination.

We asked one top seller for his secret. He suggested going to the church at least one hour before Mass to catch folks coming in. Then, go back to your selling position shortly before Mass ends. If possible, try to go to every Mass time on a particular Sunday. Parishioners love to see the children in their school uniform.

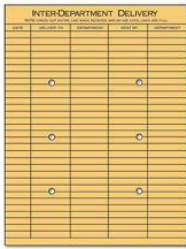

You might also let people know on social media you are selling CDT tickets and always try to have two or three tickets on you because you never know when an opportunity to sell might present itself.

CDT Fellowship Hour

We invite you to join us after Mass on Wednesdays for some coffee, snacks, and a chance to visit with other parents. We meet at the Divine Artworks Center from 10 am -11 am. We will be in the rooms (to the left when you walk in) across from the Adoration Chapel. We have toys for the young children to play with, so come pray and play! We meet after all Masses, but it's always a good idea to check the school calendar for the most up-to-date information on times and dates.

Virtues in Practice

This is our third year with the Virtues in Practice curriculum. Each month, the whole school studies a different virtue. The virtue we are studying this month is Charity.

Charity: Loving God with all your heart, mind and strength and your neighbor as yourself.

A quote to ponder...

... Who are those people that I need to “love best of all?”

Student Accident Insurance

One of the benefits for our students and families is the student accident insurance which supplements parents' insurance for certain covered expenses related to an accident. This insurance is in effect during the hours and days when school is in session, and while attending school sponsored and supervised activities.

This insurance provides payment of covered, medically necessary expenses, incurred for treatment of injury caused by a covered accident up to a maximum limit of \$6,000,000 incurred within ten years. The coverage is in excess over any other collectible insurance plans. Written notice of a claim must be given to the insurance company within 90 days of the accident. The first medical expense must be incurred within 90 days following the accident.

We strive to provide a safe environment for our students; but, unfortunately, accidents do occur. If you need to report an injury to request reimbursement through this program, please follow the steps below:

- In the event of an accident, notify the school immediately.
- The school will complete and sign Part 1 of the Loss Reporting form, and then forward this form to the parents of the injured student. The Loss Reporting form provides addition reporting instructions.
- The parents will complete and sign Part 2 of the Loss Reporting form in full, remembering to include the name and mailing address of both parents' employers, as well as other information regarding the parents' insurance.
- The claim form must be submitted within 90 days from the date of the injury. It is not necessary to wait for bills to be received to send in a claim form on a particular accident.

24-Hour Accident Plan

Parents also have the option to purchase 24-Hour Accident coverage to extend the school time accident protection to a full 24 hours a day plan that provides the same benefits against accidents that occur anytime. Parents can enroll students online at www.BollingerSchools.com. The annual cost of enrollment is \$88.00. Under the 24-Hour Plan, benefits are payable for expenses incurred up to a \$500,000 maximum. If you would like additional information regarding Student Accident Insurance, please contact the school.
